## El Caminoan Named JC All American

Bob Hooks, rugged Warrior  
end, was named to the third  
string 1950 JC All-American  
football team by the Williamson  
Football Ratings. Hooks' fine  
defensive play was a major fac-  
tor in bringing El Camino its  
first Metropolitan Championship.

Tom Novikoff, halfback from  
Los Angeles City College, was  
selected as Junior College Player  
of the Year.

Southern California players  
dominated the teams by placing  
twelve members on the three  
teams. Long Beach captured in-  
dividual honors by placing one  
man on each of the three teams.

The Southland players selected  
were as follows:  
Ends—Raine, Long Beach; Or-  
bin, Palo Verde; Hooks, El Ca-  
mino.

Tackles — Perry, Compton;  
Miller, Pasadena.  
Guards — Cox, Pasadena;  
Nance, Glendale; D'Amico, Ven-  
tura.

Center — Timberlake, Long  
Beach.  
Backs—Novikoff, LACC; Wil-  
liams, Compton; Price, Long  
Beach.

Los Angeles Conservatory of  
Music and Arts', San Pedro  
High School Auditorium.

Principal theme from the op-  
era such as Carmen's Liting  
gypsy songs, the stirring Tore-  
dor song, the exquisite music  
of Micaela, the poignant flow-  
er song, the gay quintette, the  
dramatic card scene, all of  
which combine to make "CAR-  
MEN" a field day for both sing-  
ers and audience, will be re-  
viewed for Harbor area music  
lovers by Glynn Ross who has  
produced operas here and in  
Europe.

## Douglas Workers To Train At Harbor College

A training program for all new  
employees of the machine shop  
department of the Douglas Air-  
craft plant in Long Beach will  
be inaugurated at Harbor Junior  
College on January 8, Raymond  
J. Casey, director, announced to-  
day.

Under the training program,  
the Douglas employees will re-  
ceive training in basic machine  
shop operations at the local col-  
lege on a full-time day schedule,  
with full pay, for a period of six  
weeks, and upon completing the  
course will be assigned to ma-  
chine shop positions at the Dou-  
glas plant.

New groups of employees, av-  
eraging twenty-five employees to  
the group, will be enrolled in the  
training program at six weeks  
intervals, according to Landry  
McBride, industrial training di-  
rector of the Long Beach Dou-  
glas Aircraft plant, who will su-  
perise the training program.

Harvey Cave, Harbor Tech  
machine shop instructor, will  
teach the new course, which will  
include instruction in the pur-  
pose and operation of such ma-  
chine shop equipment as engine  
and turret lathes, drill presses,  
shapers, and milling, boring and  
planing machines.

"The training program is sim-  
ilar to those previously arranged  
for the Shell Chemical Company,  
and for the Minnesota Mining  
Company, and is in line with our  
philosophy that Harbor Tech is  
equipped to, and desirous of pro-  
viding this type of community  
service to industries in this  
area," Director Casey stated.
